God's

Designed to
Evangelize
Our
Nation

Global Gospel Radio Network has launched a “Gideon Torchbearers 300” ministry. We, like Gideon of the Bible, are seeking 300 soldier/warriors of Christ who will stand shoulder to shoulder with us until the enemy is surrounded.

A \$10.00 a month contribution will enable us to spread the Word of Christ around the world. We were not given an option but a command to carry out this order. This is the first time that the **Restoration Movement** has had an opportunity to reach all corners of the globe, thus fulfilling the **Great Commission** of Christ.

Three hundred (300) of God's “soldiers” partnering with us will make this dream possible. We each know someone who could spare **\$10.00 per month** to reach this milestone.

For more information, please email, call, write and prayerfully consider being a “Torchbearer”, helping carry the torch of Freedom and light of Christ to a dark world.

Matthew 28: 19-20-

“Go ye therefore into all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost: Teaching them to observe all things whatsoever I have commanded you: and lo, I am with you always, even unto the end of the world. Amen.”

ABOUT US

Global Gospel Radio.com is a Christian Internet audio-visual station started in January 2002 in King, NC. It is our intention to utilize these resources to better broadcast the message of Christ to all nations.

Lamar Tillman bought **Global Gospel Radio** in September of 2009. We have since improved our equipment, diversified our broadcasting, added personnel, and relocated our studio.

Lamar brought on his grandson, Len Tillman, as Station Manager & Engineer, along with Len’s wife, Carissa, as Office Administrator. Len graduated from Johnson Bible College with a Media Communications degree in May of 2009, while Carissa is pursuing a degree in music.

We at **Global Gospel Radio Network** wish to provide more quality programming everyday, and as we strive to do so, our focus has come more to Christ, as we think it should be. Therefore, we have decided that we should be a non-profit business. Our business is recognized by the state as non-profit, as of December of 2010, and so we must operate accordingly.

We invite your prayers and support for this worldwide adventure. Please join us in achieving this goal of fulfilling the **Great Commission**.

News Release: Global Gospel Radio Network

Global Gospel Radio Network was established by Bill and Shirley Hale in January of 2003. The broadcasting signal via Internet is seen and heard around the world.

Global Gospel Radio Network is the pioneer in this field of broadcasting the Gospel.

August 31, 2009, Lamar and Susan Tillman purchased the station from Shirley. Bill had passed away in 2008. Lamar is a Veteran minister of the Christian churches and churches of Christ. Lamar transferred his college credits to **Johnson University** (formerly Johnson Bible College), having graduated at **Mid-Atlantic Christian University** (formerly Roanoke Bible College). Lamar came to Johnson in the second semester of the 1957-58 term and was required by Johnson to take courses as a freshman, sophomore, junior, and senior so as to be accepted in Johnson's Masters program. Dr. Eubanks and his wife lived in the married couples' dorm at Johnson while working on his Doctorate Degree at the University of Tennessee. Lamar is supported by his musically gifted and talented wife, Sue, who received musical training at Johnson University (formerly JBC). Sue has played piano and led choirs in several churches, supporting Lamar wherever he preached.

“Personally speaking, I can say that Johnson University (formerly JBC) reinforced all I had learned in my young Christian life and broadened my perspectives of the Ministry” –Lamar Tillman

Lamar brought on his grandson, Len Tillman, as Station Manager & Engineer along with Len's new bride Carissa, as Office Administrator. Len graduated two years ago from **Johnson University** (formerly JBC) with a degree in Media Communications, where he met his wife, who is still pursuing a degree in music.

“I always knew that I wanted to work with computers for a living. What I didn't know was that God would use my love for technology to further His Kingdom. My media training at Johnson University (formerly JBC) provided a wonderful foundation for me to launch into the **Internet radio business**. Mark Young's constant reminders that all of our work should go to better serve God made this career choice the obvious decision.” -Len Tillman

Global Gospel Radio Network has filled much of its daylight time, reaching a local audience. The other 12 hours of the day are scarcely touched, leaving nearly half the day of broadcast time to reach nations like China, Great Britain, Germany, Russia, India, France, Iran, Iraq, etc.

Global Gospel Radio Network is an Internet radio station that broadcasts 24 hours a day and can be **seen** and **heard** by use of computer. It is the intention of the Tillmans and staff to produce and air quality programming that will honor Christ and brings men, women, boys and girls the traditional “Restoration Message.” By means of CDs, DVDs, VHS tapes and Mp3s, we can broadcast your church service or Gospel program, not only to your community, but around the globe. There is also the availability of live broadcasts. We need quality New Testament videos, CDs, DVDs, etc, in English or a foreign language to present the Word of God.

We will need sponsors, churches, colleges, mission groups, Para-church organizations or Christian businesses. Call us if you would like to advertise your church or Christ-honoring business on our station. We can broadcast your ad as close as the Internet around the U.S. as well as internationally. Costs are negligible for long-term contract.

Global Gospel Radio Network is a newly formed tax-exempt corporation (under section 501(c)3 of the IRC Federal tax code) located in King, NC. GGRN was licensed and incorporated with the state of North Carolina in December of 2010. Federal tax-exemption is pending. It is the aim of GGRN to have this completed in 2011. Having applied for Federal tax exemption we must operate accordingly. All donations are tax-exempt in NC and we believe will be Federally by the end of our calendar year.

Global Gospel Radio Network is dedicated to preach Christ and Him crucified, buried, and risen and coming again.
